About Us

Bermina Mobilya Company established in 1984 and invests plenty of production sofa sets. It operates in the Kayseri Organized Industrial Zone(OIZ) which is among the best 10 OIZs with its investment, production, employment and exports in Turkey. With more than 37 years of experience in producing and 16 years of exporting Sofa sets, our company has more than 40 employees with area of 7000 m2 total. In order to make our products perfect, we pay great attention to quality and design, besides, we make sure each set of sofas meet our customers' requirements. Elegant and comfortable products has made us obtain a variety of customers from all over Turkey and some foreign countries.

We offer excellent products of fabric sofa sets for the living rooms. You can also view all our previous catalogs in our website. Besides we can change the style of our products according to our customer needs and project requirements. If you wish we welcome you and your team come to visit at any time. We are looking forward to work with you.
